Adopted:

(1) Thurmond unprinted amendment No. 5, eliminating the exemption for shippers' councils. **Page 3168**

(2) Thurmond unprinted amendment No. 6, clarifying immunity for marine terminal operators. **Page 3168**

(3) Thurmond unprinted amendment No. 7, prohibiting the pooling of net profits and losses. **Page 3168**

(4) Thurmond unprinted amendment No. 8, increasing the reparations which must be paid in case of violation of the Shipping Act. **Page 3168**

(5) Thurmond unprinted amendment No. 9, changing the standard required for immunity, to be "with a reasonable basis to conclude." **Page 3168**

(6) Thurmond unprinted amendment No. 10, assuring a broader right of independent action from interconference agreements. **Page 3168**

(7) Thurmond unprinted amendment No. 11, amending the provisions regarding contract disputes, in favor of standard contract law. **Page 3168**

(8) Thurmond unprinted amendment No. 12, reserving 5 percent of a shipper's tonnage to independent carriers. Page 3168

(9) Thurmond unprinted amendment No. 13, providing that, at any time before the expiration of the 45-day period, the Commission, upon its motion or motion of the complainant, may issue a subpena or discovery order for any additional information that it deems necessary to determine whether the agreement is in violation of the Act. Page 3168

(10) Thurmond unprinted amendment No. 14, restraining the Federal Maritime Commission from creating exemptions that would significantly lessen competition. Page 3168

(11) Thurmond unprinted amendment No. 15, providing that once litigation on a Commission order has begun, the Attorney General has control over the subsequent proceedings. Page 3168

(12) Thurmond unprinted amendment No. 16, providing ample time for discovery of a violation. Page 3169

(13) Thurmond unprinted amendment No. 17, providing that certain carriers, not previously permitted to engage in cartel activity, will not be so permitted under the Act. Page 3169

(14) Thurmond unprinted amendment No. 18, providing that carriers may not discuss with their conference members the prices they are able to negotiate for the inland divisions of their routes. Page 3169

(15) Long unprinted amendment No. 20, providing that the Commission shall cancel or modify any agreement subject to investigation if it determines that conduct pursuant to the agreement substantially reduces competition in the trade as a whole, unless the agreement permits U.S. flag carriers to carry cargo of the importing or exporting foreign state which would otherwise be unavailable to such carrier, or available only on unequal terms by reason of the cargo reservation laws or trading practices (governmental or otherwise) of such state, provided that such agreement is not unjustly discriminatory among U.S. flag carriers. Page 3182

Pending:

(1) Thurmond unprinted amendment No. 4 (printed amendment No. 467), amending the provisions relating to tariff filing and enforcement, providing that each controlled carrier shall file with the Commission, and keep open to public inspection, tariffs showing all its rates, charges, classifications, rules, and practices between all points or ports on its own route and on any through transportation route that has been established; however, that common carriers shall not be required to state separately or otherwise reveal in tariff filings the inland divisions of a through rate. Page 3166

(2) Stevens unprinted amendment No. 19 (printed Amendment No. 468) (to Thurmond unprinted amendment No. 4), to strike and insert new language, relating to the filing and enforcement of tariffs. Page 3178

(3) Gorton (for Hatch) unprinted amendment No. 21 (printed amendment No. 469), to permit any member to take independent action on any rate, charge, classification, rule, or practice. Page 3188

A unanimous consent agreement was reached providing for the consideration of certain amendments to the bill. Page 3189

Mathematics and Science Education: By a yea-and-nay vote of 348 yeas to 54 nays, Roll No. 14, the House passed H.R. 1310, to provide assistance to improve elementary, secondary, and postsecondary education in mathematics and science; to provide a national policy for engineering, technical, and scientific personnel; and to provide for cost-sharing by the private sector in training such personnel.

Rejected a motion to recommit the bill to the Committee on Science and Technology.

Agreed to an amendment in the nature of a substitute (text of H.R. 1699), as amended by:

A Committee on Science and Technology amendment that substitutes language relating to postsecondary assistance providing $25 million in overall funding increases among various programs; a minimum postsecondary scholarship award of $1,000; up to 10 percent of scholarship funding for critical foreign language study grants; and $5 million in authority for teacher initiative grants for fiscal year 1985.

Agreed to the following amendments to the foregoing amendment:

Technical amendments; and

An amendment that emphasizes the job creation aspects in engineering, technical and scientific fields.

Rejected the following amendments to the foregoing amendment:

An amendment that sought to strike provisions for National Teaching Scholarships and substitute a $50 million block grant program (rejected by a recorded vote of 92 ayes to 323 noes, Roll No. 12);

An amendment that sought to remove $5 million in funding for Minority Institutions Science Improvement programs, transferring it to the National Institute of Education (rejected by a division vote of 28 ayes to 43 noes);

An amendment that sought to replace the National Teaching Scholarship Program, providing instead $5,000 scholarships through block grant programs to elementary and secondary teachers who can qualify within one year to teach math or science (rejected by a recorded vote of 138 ayes to 276 noes, Roll No. 13. Earlier, the amendment was agreed to by a division vote of 32 ayes to 28 noes);

An amendment that sought to eliminate the foreign language provisions of the bill; and

An amendment that sought to strike Teacher Initiative Grants language (rejected by a division vote of 12 ayes to 28 noes).

Agreed To:

An amendment that permits state consultation with representatives of professional mathematics and scientific communities in establishing elementary and secondary assistance programs;

Technical amendments;

An amendment that provides a stipend for teachers attending summer institutes;

An amendment that emphasizes the intent to retain qualified elementary and secondary math and science teachers;

An amendment that requires any foreign language program to emphasize reading comprehension of scientific and technical journals in critical foreign languages; and

An amendment that clarifies the Office of Science and Technology Policy role in coordinating activities between various Federal agencies.

Rejected:

An amendment that sought to strike out elementary and secondary education and engineering and science personnel provisions of the bill;

An amendment that sought to establish a minimum allocation of assistance to states; and

An amendment that sought to authorize two additional programs to encourage students to participate in the science and math fields.

Agreed to amend the title.

The Clerk was authorized to correct punctuation, spelling, numbering, and references, and to make such other necessary corrections to reflect the actions of the House in the engrossment of the bill.

H. Res. 109, the rule under which the bill was considered, was agreed to earlier by a yea-and-nay vote of 393 yeas, Roll No. 11. **Page 3542**

Lobbyists: The compilation by the Clerk of the House and the Secretary of the Senate of all new registrations and reports for the fourth calendar quarter of 1982, and reports for the third calendar

quarter of 1982 received too late to be previously published, that were filed by persons engaged in lobbying activities appear in this issue of the Congressional Record. Page 3622

Quorum Calls—Votes: Two yea-and-nay votes and two recorded votes developed during the proceedings of the House today and appear on pages 3540, 3578, 3585, 3602. There were no quorum calls.

Chamber Action

Bills Introduced: 66 public bills, H.R. 1983–2048; 4 private bills, H.R. 2049–2052; and 6 resolutions, H.J. Res. 188–190, H. Con. Res. 83, and H. Res. 130 and 131 were introduced. **Page 4663**

Bills Reported: Reports were filed as follows:

H.R. 1936, to amend title 37, United States Code, to extend certain expiring enlistment and reenlistment bonuses for the Armed Forces (H. Rept. 98–27);

S. 271, to amend the National Trails System Act by designating additional national scenic and historic trails (H. Rept. 98–28);

H. Res. 97, disapproving the proposed deferral of budget authority for the Mass Transportation Capital Fund (deferral numbered D83–59) (H. Rept. 98–29); and

H.R. 1646, to amend the Railroad Retirement Act of 1974 and the Railroad Retirement Tax Act to assure sufficient resources to pay current and future benefits under the Railroad Retirement Act of 1974, to make technical changes, amended (H. Rept. 98–30). **Page 4663**

Social Security Amendments: By a recorded vote of 282 ayes to 148 noes, Roll No. 26, the House passed H.R. 1900, to assure the solvency of the Social Security Trust Funds, to reform the medicare reimbursement of hospitals, and to extend the Federal supplemental compensation program.

Rejected a motion to recommit the bill to the Committee on Ways and Means.

On a demand for a separate vote in the House, agreed to an amendment that strikes the provisions reducing initial benefit levels beginning in the year 2000 and raising payroll taxes beginning in the year 2015 and substitutes instead provisions which gradually raise the retirement age with full benefits from 65 to 67 through phase-in programs beginning in the year 2000, and maintaining age 62 benefits at an ultimate rate of 70 percent of full benefits (agreed to by a recorded vote of 230 ayes to 200 noes, Roll No. 25). Earlier, the amendment was agreed to in the Committee of the Whole by a recorded vote of 228 ayes to 202 noes, Roll No. 22.

Rejected an amendment that sought to strike the provision reducing initial benefit levels beginning in the year 2000 and raising payroll taxes beginning in the year 2015 and instead would have provided for a 0.53 percentage point increase in the employer and employee payroll tax rate beginning in the year 2010 (rejected by a recorded vote of 132 ayes to 296 noes, Roll No. 24).

H. Res. 126, the rule under which the bill was considered, was agreed to earlier by a voice vote. **Page 4486**

Nuclear Weapons Freeze: House considered H.J. Res. 13, calling for a mutual and verifiable freeze on and reductions in nuclear weapons; but came to no resolution thereon.

Pending when the Committee of the Whole rose was an amendment in the nature of a substitute calling on the United States and Soviet Union to adhere to the principle of a guaranteed strategic "build-down" of nuclear forces.

Agreed To:

An amendment, as amended, that provides for the requirement of on-site inspection to complement the National Technical Means for verification (agreed to by a recorded vote of 426 ayes, Roll No. 28);

An amendment that clarifies that the resolution does not endorse any type of unilateral disarmament on the part of the United States; and

An amendment, as amended (agreed to by a recorded vote of 226 ayes to 195 noes, Roll No. 31), that stresses the overriding objective of the resolution of negotiating a freeze without the objective being construed to prevent measures necessary for the maintenance and credibility of the United States nuclear deterrant (agreed to by a division vote of 112 ayes to 109 noes). Earlier, agreed to a motion to limit debate on the amendment and the amendment thereto (agreed to by a recorded vote of 232 ayes to 173 noes with 1 voting "present", Roll No. 30).

Rejected:

An amendment that sought to require the President to make full report to Congress on Soviet compliance with existing strategic arms agreements before beginning negotiations for a nuclear freeze;

An amendment that sought to include the reductions in production of nuclear weapons as a part of the objective of the resolution (rejected by a recorded vote of 209 ayes to 215 noes, Roll No. 29);

A motion that the Committee rise and report the bill back to the House with the enacting clause stricken (rejected by a recorded vote of 172 ayes to 249 noes, Roll No. 32);

A motion to limit debate on all amendments, except those to the preamble and an amendment in the nature of a substitute, to conclude at 11:15 p.m. (rejected by a division vote of 116 ayes to 141 noes); and

A motion to limit debate on all amendments, except those to the preamble and an amendment in the nature of a substitute, to conclude at 11:30 p.m.

(rejected by a recorded vote of 199 ayes to 209 noes, Roll No. 33).

A point of order against the consideration of H.J. Res. 13 was overruled.

H. Res. 138, the rule under which the resolution is being considered was agreed to earlier by a yea-and-nay vote of 372 yeas to 35 nays with 1 voting "present", Roll No. 27. **Pages 5666, 5728**

Presidential Message—Crime Control: Received and read a message from the President wherein he transmits a legislative proposal entitled the Comprehensive Crime Control Act of 1983—referred to the Committees on the Judiciary, Energy and Commerce, and Government Operations and ordered printed (H. Doc. No. 98–32).

Nuclear Weapons Freeze: House continued consideration of H.J. Res. 13, calling for a mutual and verifiable freeze on and reductions in nuclear weapons; but came to no resolution thereon. Proceedings under the 5-minute rule are scheduled to continue on Thursday, April 21.

Pending when the Committee of the Whole rose were:

An amendment that seeks to clarify the intent of the resolution as it relates to the United States commitment to the NATO allies; and

An amendment to the foregoing amendment that seeks to obligate the United States to consult with the NATO alliance and to take into consideration their views, but reserves for the United States the final decision.

Agreed To:

An amendment that clarifies the position of Congress that Western deterrence should continue to be based upon strategic arms control as well as force improvements and that such actions be done in consultation with the NATO allies;

An amendment in the nature of a substitute to the foregoing amendment that assures that nothing in the resolution shall be construed to prevent modernization and deployment of United States weapons prior to the ratification of the resolution objectives by the Soviet Union and the United States;

An amendment that proposes that the House and Senate Foreign Affairs Committees study measures relating to reductions in nuclear weapons as proposed in the resolution;

An amendment, as amended, providing that no negotiated freeze should prevent the United States from such measures with respect to our strategic systems as are necessary to protect the lives of the United States personnel operating those systems;

An amendment that defines a nuclear delivery vehicle and provides that a freeze agreement will not preclude the one-for-one replacement of such devices to preserve the credibility of the United States nuclear deterrence;

An amendment that specifies that the resolution should not be construed to prevent modernization or deployment of United States "dual delivery" systems to maintain the capability of the United States defense posture;

An amendment that specifies that no action shall be taken that will obligate the United States to disarm or to reduce its armaments, except pursuant to the treaty-making power of the President or unless authorized by further legislative action by Congress;

An amendment that clarifies that submarines are not considered delivery systems;

An amendment, as amended, that broadens the freeze scope of the resolution to include non-nuclear systems;

An amendment that provides that nothing in the resolution shall be construed by United States negotiators to mandate any agreement that would jeopardize the United States' ability to preserve freedom;

An amendment, as amended, that assures that the negotiations provided by the resolution shall not jeopardize the maintaining of essential equivalence and a stable balance in nuclear deterrent capabilities (agreed to by a recorded vote of 407 ayes to 3 noes, Roll No. 57); and

An amendment that includes in the freeze provisions strategic air defense systems.

Rejected:

An amendment that sought to state that any negotiated freeze must provide for essential equivalence in overall nuclear capabilities "at present and in the future" (rejected by a recorded vote of 204 ayes to 211 noes, Roll No. 56); and

An amendment to the foregoing amendment that sought to clarify the relevance of the ages of weapons in the equivalence provisions in a negotiated freeze. **Page 9233**

Emergency Housing Assistance Act: By a yea-and-nay vote of 216 yeas to 196 nays, Roll No. 106, the House passed H.R. 1983, to amend certain housing and community development laws to provide emergency mortgage assistance to homeowners and emergency shelter for the homeless.

Rejected a motion to recommit the bill to the Committee on Banking, Finance and Urban Affairs.

Agreed to a substitute for an amendment in the nature of a substitute that imposes an asset test on individuals seeking mortgage assistance; requires HUD to consider mortgage foreclosures, unemployment, and UDAG standards in allocating mortgage assistance; requires homeowners seeking mortgage assistance to first attempt to work out alternative payment schedules with their lenders; limits assistance for amenities such as swimming pools and tennis courts; prohibits assistance for individuals whose unemployment is the result of their own misconduct; and requires that the homeowner seeking mortgage assistance demonstrate his or her ability to repay, rather than requiring the government to prove that the individual will not be able to make repayment.

Rejected the following amendments to the foregoing substitute:

An amendment that sought to direct Federal agencies to encourage market incentives to facilitate forbearance to prevent foreclosure, to delete provisions mandating a moratorium on Farmers Home loans and retain present provisions in the law allowing the Secretary of Agriculture to provide a moratorium on the payment of principal and interest for borrowers in need due to economic developments, to retain the $100 million emergency shelter for the homeless provision, and to strike the $760 million mortgage relief program (rejected by a recorded vote of 197 ayes to 220 noes, Roll No. 102);

An amendment that sought to prohibit expenditure of funds in violation of the balanced budget provisions in law (rejected by a recorded vote of 157 ayes to 254 noes, Roll No. 103);

An amendment that sought to reduce the authorization for the emergency mortgage relief provisions by $308 million;

An amendment that sought to require as a prerequisite the use of the wage earner's plan, Chapter 13 of the Bankruptcy Act, before administering aid through the emergency mortgage relief program (rejected by a recorded vote of 154 ayes to 254 noes, Roll No. 104); and

An amendment that sought to prohibit the initiation of the emergency mortgage program in any area where Federal regulatory agencies of HUD determine that the program's activation will reduce lender forbearance or increase the number or rate of mortgage forclosures (rejected by a recorded vote of 175 ayes to 234 noes, Roll No. 105). Page 11860

Lobbyists: The compilation by the Clerk of the House and the Secretary of the Senate of all new registrations and reports for the first calendar quarter of 1983, and reports for the fourth calendar quarter of 1982 received too late to be previously published, that were filed by persons engaged in lobbying activities appears in this issue of the Congressional Record. Page 11934

Economic Development: By a yea-and-nay vote of 306 yeas to 113 nays, Roll No. 240, the House passed H.R. 10, to amend the Public Works and Economic Development Act of 1965 and the Appalachian Regional Development Act of 1965.

Agreed to the Public Works and Transportation Committee amendment in the nature of a substitute.

An amendment that prohibits assistance for projects intended to relocate industrial or commercial plants unless the Secretary finds that such relocation would not adversely affect unemployment or the economic base of the area from which the plant is leaving; provides for a study of the costs of financing the construction of necessary public facilities; and changes the definition of an Indian tribe to include tribes not recognized by the Department of the Interior if the tribe is recognized by the State in which it is located.

Rejected:

An amendment that sought to require the Secretary of Commerce to conduct a study of the impact on employment opportunities of Federal laws and regulations promulgated or covered under this bill (rejected by a recorded vote of 170 ayes to 245 noes, Roll No. 238). A point of order was sustained against a similar amendment; and

An amendment that sought to permit the Secretary to waive the requirements of any rule or regulation promulgated under any Federal law under this bill if an eligible unit of local government dem-

onstrates that such waiver will result in a substantial increase in the level of employment which is available within the jurisdiction of such government (rejected by a recorded vote of 148 ayes to 270 noes, Roll No. 239). Page 18734

Subcommittee To Sit: Subcommittee on Administrative Law and Governmental Relations of the Committee on the Judiciary received permission to sit during proceedings of the House on Wednesday, July 13 and Thursday, July 14. Page 18734

Proceedings under the 5-minute rule will continue on Wednesday, July 13.

Agreed To:

An amendment that reduces authorization levels for certain programs in the bill;

An amendment that provides for offsets of charges against properties owned by persons of low and moderate income for capital costs of public improvements;

An amendment that holds harmless small cities and towns that would otherwise not be eligible for Urban Development Action Grants until the Secretary revises the standards for eligibility and includes the extent of unemployment as a standard of distress for such cities;

An amendment that permits pet ownership in assisted rental housing for the elderly or handicapped;

An amendment that provides that the Secretary may not deny home ownership mortgage insurance on the basis that a mortgage involves a two- to three-family dwelling or is to be used to finance substantial rehabilitation rather than new construction;

An amendment that prohibits the Secretary from selling any mortgage held by the Secretary as security for a loan made under housing assistance for the elderly and handicapped;

An amendment that provides for a reasonable distribution of multifamily rental production assistance between units occupied by elderly or handicapped families and other families or individuals;

An amendment that provides that the relative extent of unemployment should be given principal consideration in allocating assistance under any demonstration program administered by the Secretary; and

An amendment that provides for single-family mortgage insurance on Hawaiian home lands.

Rejected an amendment, as amended, that sought to prohibit Federal assistance under the multifamily rental production program to communities that place rent control on projects built after the date of enactment, other than projects developed with State or local government assistance (rejected by a recorded vote of 206 ayes to 208 noes, Roll No. 241). Page 18734

Quorum Calls—Votes: One quorum call, one yea-and-nay vote, and three recorded votes developed during the proceedings of the House today and appear on pages 18708, 18719, 18723, 18733, 18770.

Rehabilitation Amendments of 1983: Senate passed S. 1340, authorizing funds for fiscal years 1984, 1985, and 1986 for the Rehabilitation Act, after agreeing to the following amendments proposed thereto: **Page 20845**

(1) Baker (for Weicker) Amendment No. 2092, of a conforming and technical nature. **Page 20846**

(2) Baker (for Hatch) Amendment No. 2093, of a technical nature. **Page 20847**

Omnibus Defense Authorizations, 1984: By 83 yeas to 15 nays, Senate passed S. 675, authorizing funds for fiscal year 1984 for the Department of Defense, after agreeing to a committee amendment in the nature of a substitute and taking action on further amendments proposed thereto, as follows:

Adopted: **Page 20727**

By 92 yeas to 6 nays, Levin Amendment No. 2091, expressing the sense of the Senate that, from the point of view of enhancing strategic nuclear stability, the Soviet Union and the United States should seek to move toward an inter-continental ballistic missile force structure in which missiles contain only one warhead. **Page 20776**

Rejected:

(1) By 41 yeas to 58 nays, Hart-Hatfield Amendment No. 2087, to provide that no funds are authorized under the Act for the production, procurement, or deployment of the MX missile. **Page 20738**

(2) By 42 yeas to 57 nays, Moynihan Amendment No. 2089, to provide that no funds authorized under the Act shall be obligated or expended for the de-

ployment of an MX missile; and that it is the sense of the Congress that efforts to modernize the land-based strategic force should be focused on a small, single-warhead inter-continental ballistic missile that is either mobile or able to be deployed in deceptive fashion. Page 20730

Military Construction Authorizations, 1984: Pursuant to previous unanimous consent, Committee on Armed Services was discharged from the further consideration of H.R. 2972, authorizing certain construction at military installations for fiscal year 1984, and the bill was passed, after striking all after the enacting clause and inserting in lieu thereof the text of title II of S. 675, listed above.

Covert Aid Prohibition: By a recorded vote of 228 ayes to 195 noes, Roll No. 285, the House passed H.R. 2760, to amend the Intelligence Authorization Act for fiscal year 1983 to prohibit United States support for military or paramilitary operations in Nicaragua and to authorize assistance, to be openly

provided to governments of countries in Central America, to interdict the supply of military equipment from Nicaragua and Cuba to individuals, groups, organizations, or movements seeking to overthrow governments of countries in Central America.

Rejected a motion to recommit the bill to the Permanent Select Committee on Intelligence and the Committee on Foreign Affairs (rejected by a yea-and-nay vote of 189 yeas to 234 nays, Roll No. 284).

Agreed to an amendment in the nature of a substitute that prohibits covert assistance for military operations in Nicaragua, authorizes overt interdiction assistance, and directs the President to seek action by the Organization of American States to bring about compliance by Nicaragua with commitments made and the OAS Charter.

Rejected the following amendments to the preceding substitute:

An amendment that sought to make the effective date 30 days after the Permanent Select Committee on Intelligence and the Committees on Foreign Affairs and Armed Services had held hearings on the feasibility of the overt interdiction assistance program (rejected by a recorded vote of 194 ayes to 229 noes, Roll No. 282); and

An amendment in the nature of a substitute that sought to prohibit covert assistance unless the President submitted a plan to Congress providing for the interdiction of arms, authorize overt interdiction aid, and direct the President to seek action by the OAS (rejected by a recorded vote of 196 ayes to 228 noes, Roll No. 283).

Agreed to an amendment to the original bill, as amended by a substitute, as amended (agreed to by a recorded vote of 221 ayes to 205 noes, Roll No. 280), that would have terminated the prohibition if the President submitted after 30 days a report to Congress that Nicaragua was continuing to support military or paramilitary operations by antigovernment forces in El Salvador and the Congress then enacted a joint resolution approving the resumption of assistance.

Took the following actions on the preceding amendment and substitute:

Agreed to an amendment to the original amendment that would have directed the President to commission a study to assess the potential consequences of a failure to halt Cuban and Nicaraguan directed revolution and subversion in Central America (agreed to by a division vote of 69 ayes to 29 noes);

Agreed to an amendment to the substitute that directed the President to seek action by the OAS to bring about compliance by Nicaragua with commitments made and the OAS Charter;

Rejected an amendment to the original amendment that sought to express the sense of Congress that Nicaragua should enter into a verifiable agreement with other countries in the region that it would not support military or paramilitary operations by antigovernment forces in any country in Central America (rejected by a recorded vote of 213 ayes to 214 noes, Roll No. 279); and

Rejected an amendment to the original amendment that sought to prohibit covert assistance unless the President submitted a new plan providing for the interdiction of arms being shipped from or through Nicaragua to forces hostile to the Government of El Salvador (rejected by a recorded vote of 203 ayes to 223 noes, Roll No. 281). **Page 21410**

Subcommittee To Sit: Subcommittee on Water Resources of the Committee on Public Works and Transportation received permission to sit during proceedings of the House under the 5-minute rule on Friday, July 29. **Page 21478**

Supplemental Appropriations: By a yea-and-nay vote of 257 yeas to 133 nays with 1 voting "present", Roll No. 288, the House agreed to the conference report on H.R. 3069, making supplemental appropriations for the fiscal year ending September 30, 1983.

Amendments reported in disagreement by the committee of conference will be considered on Friday, July 29.

H. Res. 284, the rule waiving certain points of order against the conference report, was agreed to earlier by a recorded vote of 267 yeas to 138 noes with 1 voting "present," Roll No. 286. Agreed to order the previous question by a division vote of 178 yeas to 51 noes; and agreed to table the motion to reconsider by a yea-and-nay vote of 271 yeas to 125 nays, Roll No. 287. **Page 21481**

Referrals: Two Senate-passed measures were referred to the appropriate House committees. **Page 21516**

Quorum Calls—Votes: Five yea-and-nay votes and seven recorded votes developed during the proceedings of the House today and appear on pages 21398, 21405, 21428, 21434, 21464, 21475, 21476, 21480, 21514. There were no quorum calls.

H.R. 2590, to amend the Agricultural Adjustment Act to authorize marketing research and promotion projects, including paid advertising, for filberts, amended (H. Rept. 98–335); and

H. Con. Res. 40, expressing the sense of the Congress that the Federal Government should maintain current efforts in Federal nutrition programs to prevent increases in domestic hunger, amended (H. Rept. 98–336). **Page 21750**

International Recovery and Financial Stability Act: House continued consideration of H.R. 2957, to extend the authority of the Export-Import Bank of the United States, encourage balanced worldwide economic growth, provide for continued participation in the International Monetary Fund, strengthen the supervision of international lending by United States banks, and provide for continued United States participation in multilateral development banks; but came to no resolution thereon. Proceedings under the 5-minute rule are scheduled to continue on Wednesday, August 3.

Agreed to a perfecting amendment, as amended, that provides for controls over the release of United States funds to the IMF; controls the possible diverting of resources from domestic needs, and requires the Secretary of the Treasury and Federal Reserve Chairman to implement the Bretton Woods Act in such a way that United States economic well-being has the highest priority; instructs the Fund to encourage borrowers and lenders to negotiate a rescheduling of debt; prohibits up-front rescheduling fees by United States banks; and limits further lending by United States banks that engage in excessive loans (agreed to by a recorded vote of 332 ayes to 76 noes, Roll No. 290).

Rejected:

A motion that the Committee of the Whole rise and report the bill back to the House with the recommendation that the enacting clause be stricken;

An amendment that sought to strike language authorizing the Governor of the IMF to consent to an increase in the quota of the United States (rejected by a recorded vote of 181 ayes to 226 noes, Roll No. 291);

An amendment that sought to eliminate the IMF provisions of the bill (rejected by a recorded vote of 178 ayes to 226 noes, Roll No. 292); and

A perfecting amendment.

Agreed to a motion to limit debate on the bill and all amendments thereto (agreed to by a recorded vote of 242 ayes to 145 nays, Roll No. 289). **Page 21649**

Late Reports: Committee on Agriculture received permission to have until midnight tonight to file reports on H.R. 2590, to amend the Agricultural Adjustment Act to authorize marketing research and promotion projects, including paid advertising, for filberts; and H. Con. Res. 40, expressing the sense of the Congress that the Federal Government should maintain current efforts in Federal nutrition programs to prevent increases in domestic hunger. **Page 21684**

Privilege of the House: House agreed to H. Res. 289, to correct the Record of July 28, 1983. **Page 21685**

Supplemental Appropriations: House considered amendments reported in disagreement from the committee of conference on H.R. 3069, making supplemental appropriations for the fiscal year ending September 30, 1983.

House receded from its disagreement and concurred in Senate amendments numbered 5, 14, 16, 19, 20, 21, 22, 23, 26, 27, 28, 29, 30, 31, 35, 41, 43, 48,

Page 22649

Federal Student Loans: House cleared for the President H.R. 3394, to provide additional authority for the consolidation of student loans and to make certain other changes in Federal student financial assistance; by agreeing to the Senate amendments thereto. Page 22649

International Recovery and Financial Stability Act: By a yea-and-nay vote of 217 yeas to 211 nays, Roll No. 320, the House passed H.R. 2957, to extend the authority of the Export-Import Bank of the United States, encourage balanced worldwide economic growth, provide for continued participation in the International Monetary Fund, strengthen the supervision of international lending by United States banks, and provide for continued United States participation in multilateral development banks.

Rejected a motion to recommit the bill to the Committee on Banking, Finance and Urban Affairs.

Agreed To:

An amendment that deletes all reference to the Federal Financial Institutions Examination Council, relying upon existing regulatory agencies to carry out its mandate; deletes legislative review provision in the bill; deletes exemption of regulators from Paperwork Reduction Act and Regulatory Flexibility

Act requirements; and clarifies the authority of the Federal banking agencies to establish minimum levels of capital for banks;

An amendment that requires the Federal Deposit Insurance Corporation be represented equally on the Committee on Banking Practices of the Group of Ten Countries and Switzerland;

An amendment that expresses the sense of Congress that United States aid to the Asian Development Bank be terminated if the Republic of China is denied full membership in the Asian Development Bank;

An amendment that directs the National Advisory Council to conduct a 12-month study on the impact on the United States steel industry of steel subsidies by nations who are borrowers from the IMF;

An amendment that prohibits any fee exceeding administrative costs for restructuring of debts, such fees to be amortized over the life of the loan (agreed to by a division vote of 24 ayes to 16 noes);

An amendment that requires the United States representative to the IMF to oppose loans to any country under a communist dictatorship (agreed to by a recorded vote of 242 ayes to 185 noes, Roll No. 317, after having been previously rejected by a division vote of 12 ayes to 35 noes);

An amendment, as amended (agreed to by a recorded vote of 286 ayes to 136 noes, Roll No. 318), that instructs the Secretary of the Treasury and the United States Executive Director of the Fund to study the Fund's policies on setting interest rates at below market rates;

An amendment that adds provision for reimbursement from beneficiaries of quota increases (agreed to by a division vote of 45 ayes to 2 noes);

An amendment that requires notification to Congress within 60 days before IMF borrowing in capital markets;

An amendment that caps IMF employee salaries at level IV, Executive Schedule; and prohibits below market rate home loans for IMF employees;

An amendment that requires the Secretary of the Treasury to report to Congress on the total amount of new funding and the countries which will receive loans as a result of the quota increase; and

An amendment that directs the Executive Director of the Fund to propose and work for an amendment to the Articles of Agreement whereby the balance of any quota increase shall be paid by member countries in convertible currencies.

Rejected:

An amendment that sought to require Congressional authorization before the President, any person, or agency makes commitments relative to a change in the United States quota, or regarding the making of any loan to the Fund or Bank;

An amendment that sought to restore GAO auditing authority over the activities of the Federal Reserve Board with regard to foreign central banks and over Federal Reserve Board activities in general;

An amendment that sought to permit sale of IMF gold reserves, rather than increasing quotas;

An amendment that sought to prohibit the Governor of the IMF from consenting to the quota increase unless each country which contributes to the increase involved is given an amount of gold from the Fund equal to the value of the quota contribution;

An amendment that sought to increase the United States credit line to the IMF on a temporary, rather than permanent, basis; and

An amendment that sought to strike language increasing United States participation in the IMF General Arrangements to Borrow from $2 billion to 4.25 billion Special Drawing Rights, and authorizing the Secretary to consent to an increase of the United States quota in the IMF (rejected by a recorded vote of 174 ayes to 249 noes, Roll No. 319).

Points of order were sustained against:

An amendment that sought to shorten the reporting time for regulations by Federal banking agencies, after the promulgation of Examination Council regulations on the establishment of special reserves;

An amendment that sought to reduce to 500 million Special Drawing Rights the increase in the United States line of credit to the IMF quota fund;

An amendment that sought to require the Secretary to establish within 18 months a par value for the dollar in gold, and to redeem in gold Federal Reserve notes presented for exchange;

An amendment that sought to require the Secretary to establish within 18 months a par value for the dollar in gold; and

Amendments that sought to attach balanced budget language to the IMF.

Subsequently, this passage was vacated and S. 695, a similar Senate-passed bill, was passed in lieu, after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

The Clerk was authorized to correct section numbers, punctuation, cross references, and to make technical and conforming changes in the engrossment of the House amendments to S. 695. **Page 22650**

Transportation Appropriations: House cleared for the President H.R. 3329, making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1984; by agreeing to the Senate amendment to the House amendment to Senate amendment numbered 70. **Page 22691**

Journal: By a yea-and-nay vote of 298 yeas to 18 nays with 4 voting "present", Roll No. 328, the House approved the Journal of Monday, September 12. **Page 23839**

Presidential Message—Productivity: Read a message from the President wherein he transmits a legislative proposal entitled the "National Productivity and Innovation Act of 1983"—referred to the Committee on the Judiciary and ordered printed (H. Doc. 98–110). **Page 23846**

Rehabilitation Act Amendments: By a yea-and-nay vote of 324 yeas to 79 nays, Roll No. 333, the House passed H.R. 3520, to extend and improve the Rehabilitation Act of 1973, to provide for the operation of the Helen Keller National Center for Deaf-Blind Youths and Adults, to create a select commission on Federal assistance to disabled Americans, and to increase certain authorizations of appropriations for programs within the jurisdiction of the Committee on Education and Labor.

Rejected a motion to recommit the bill to the Committee on Education and Labor with instructions to report it back forthwith containing an amendment that would prohibit expenditure of funds authorized for nonrehabilitation programs in any school district unless it has a procedure for determining functional literacy as a condition for graduation from secondary public schools (rejected by a yea-and-nay vote of 128 yeas to 275 nays, Roll No. 332). A similar amendment was rejected earlier in the Committee of the Whole by a division vote of 17 ayes to 37 noes.

Agreed To:

An amendment that retains the fiscal year 1984 authorization for rehabilitation services, and provides for authorizations to be determined by increases in the consumer price index over the previous fiscal year for the succeeding four fiscal years;

The committee amendments;

An amendment that authorizes $28 million to carry out the National Technical Institute for the Deaf Act;

An amendment that changes the formula for distribution of low-income energy assistance to States (agreed to by a recorded vote of 226 ayes to 174 noes, Roll No. 331); and

An amendment that authorizes special impact aid for the education of immigrant children.

Rejected an amendment that sought to strike language modifying authorization levels for nonrehabilitation programs (rejected by a recorded vote of 124 ayes to 283 noes, Roll No. 329).

Subsequently, this passage was vacated and S. 1340, a similar Senate-passed bill, was passed in lieu after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

House then insisted on its amendments to S. 1340, and asked a conference. Appointed as conferees: Representatives Perkins, Ford of Michigan, Biaggi, Andrews of North Carolina, Simon, Miller of California, Murphy, Corrada, Williams of Montana, Kogovsek, Erlenborn, Bartlett, Goodling, Gunderson, and Coleman of Missouri. **Page 23846**

Rejected a motion to recommit the bill to the Committee on Education and Labor. Earlier, a point of order was sustained against a motion to recommit the bill to the Committee on Education and Labor with instructions that it be reported back forthwith containing an amendment in the nature of a substitute that consisted of the text of H.R. 1955, "Enterprize Zone Employment and Development Act of 1983".

Agreed To:

The committee amendment in the nature of a substitute;

An amendment that strikes the 1983 authorization and authorizes $3.5 billion for fiscal year 1984 (agreed to by a recorded vote of 414 ayes, Roll No. 346);

An amendment that limits use of funds for administrative expenses to not more than 15 percent of the amount received by local governments;

An amendment, as amended by a substitute, that limits use of administrative funds for salaries to administrators or supervisors not to exceed comparable rates for present employees, or rates prescribed for Federal GS–10 employees;

An amendment that phases-down the authorization level as unemployment rates decline, and provides a cut-off of the authorization should unemployment fall below six percent. Rejected an amendment to the amendment that sought to cut-off the authorization should unemployment fall below four percent, but provides authorization for areas of substantial unemployment where there is at least 6.5 percent unemployment during the preceding 12-month period (rejected by a recorded vote of 208 ayes to 210 noes, Roll No. 347);

An amendment that requires states to allocate funds to local rural areas in accordance with the basic allotment formula;

An amendment that requires individuals to register for the draft in order to be eligible for participation in the program; and

An amendment that applies the fraud and abuse provisions of the CETA Act to this bill.

Rejected:

An amendment that sought to prohibit authorization of funds for the program if their expenditure results in deficit spending (rejected by a recorded vote of 166 ayes to 258 noes, Roll No. 348);

An amendment that sought to require that 100 percent of the jobs created by the program go to individuals who have been unemployed at least six weeks prior to enactment of the bill (rejected by a recorded vote of 142 ayes to 279 noes, Roll No. 349);

An amendment that sought to permit the Secretary of Labor to waive Federal restrictions on local governments when it would substantially increase employment in the local jurisdiction;

An amendment that sought to permit the Secretary of Labor to waive Federal restrictions on local governments when it would substantially increase employment for minority youth in the local jurisdiction (rejected by a recorded vote of 92 ayes to 327 noes, Roll No. 350); and

An amendment that sought to require that 100 percent of the jobs created by the program go to in-

11-059 O-87-21 (Pt. 26)

dividuals who have been unemployed at least 15 weeks prior to their application to the program (rejected by a division vote of 23 ayes to 73 noes).

The Clerk was authorized to correct section numbers, punctuation, cross references, and to make technical and conforming changes in the engrossment of the bill. **Page 25081**

Subcommittee To Sit: Subcommittee on Environment, Energy, and Natural Resources of the Committee on Government Operations received permission to sit during proceedings of the House under the 5-minute rule on Thursday, September 22. **Page 25146**

Appointed as conferees: Representatives Brooks, Weiss, Conyers, Levin of Michigan, McKay, Towns, Horton, Walker, and McCandless. **Page 26462**

Consumer Products Tampering: House passed S. 216, to amend title 18, United States Code, to combat, deter, and punish individuals who tamper with household products with intent to cause personal injury, death, or harm.

Agreed to an amendment in the nature of a substitute (text of H.R. 2174), with provisions for protecting a business victimized by tampering, and for punishing both the person who tampers and any person rendering false labeling or packaging for same. Agreed to amend the title. **Page 26463**

Export Administration Amendments: House continued consideration of H.R. 3231, to amend the authorities contained in the Export Administration Act of 1979; but came to no resolution thereon. Proceedings under the 5-minute rule are scheduled to continue on Friday, September 30.

Agreed To:

An amendment that directs the Secretary of Commerce and the Secretary of Defense to integrate the list of militarily critical technologies into the commodity control list and report to Congress by April 1, 1985, on that integration and the impact on military capabilities of countries where exports of militarily critical technologies are controlled;

An amendment that seeks an agreement among countries of the coordinating committee regarding export sanctions against the Soviet Union or any other country that commits violent actions against unarmed civilians of another country; and

An amendment, as modified, that further clarifies the meaning of "detrimental to the national security of the United States".

Rejected:

An amendment that sought to restore authority to the Customs Service to enforce laws prohibiting illegal export and diversion of critical technology to our adversaries (rejected by a division vote of 8 ayes to 14 noes); and

An amendment that sought to strike provisions for Commerce Department law enforcement authority (rejected by a recorded vote of 160 ayes to 243 noes, Roll No. 369). Earlier, rejected an amendment in the nature of a substitute to this amendment that sought to retain Commerce Department law enforcement authority contained in the bill, but requiring a warrant (rejected by a recorded vote of 164 ayes to 246 noes, Roll No. 368).

A point of order was sustained against an amendment that sought to provide the President with discretionary authority to restrict imports from foreign companies not in compliance with provisions of the bill relating to the sale of militarily critical technologies. **Page 26467**

Late Report: Conferees received permission to have until midnight tonight to file a conference report on H.R. 3913, making appropriations for the Departments of Labor, Health and Human Services and Education, and related agencies for the fiscal year ending September 30, 1984.

Subsequently, it was made in order to consider the conference report and any amendments in disagreement on H.R. 3913 on Thursday, October 20, or any day thereafter; and that such conference report and amendments be considered as having been read when called up for consideration. **Page 28253**

Export Administration Act Amendments: House continued consideration of H.R. 3231, to amend the authorities contained in the Export Administration Act of 1979; but came to no resolution thereon. Proceedings under the 5-minute rule will continue at a later date.

Agreed to:

An amendment that provides that the export of goods and technology to the People's Republic of China should be subject to no greater restriction than the export of goods to any friendly nonaligned country;

An amendment that strikes language providing for the removal of certain export controls if there have been no license denials for one year;

An amendment that clarifies that the bill does not affect the agricultural export contracts as provided by the Futures Trading Act of 1982;

An amendment, as amended by a substitute as modified, that extends the six-month foreign availability negotiating period for an additional year if the President certifies that the absence of the export control involved would prove detrimental to the national security and certifies that the negotiations are progressing. Rejected an amendment to the substitute that sought to require a license at the end of the additional year if the technology transfer would damage national security (rejected by a recorded vote of 137 ayes to 285 noes, Roll No. 397);

An amendment that permits the exporting of partially-processed red cedar;

An amendment that directs the negotiation of agreements to coordinate the systems of export control documents, to establish uniform criminal and civil penalties, and to increase on-site inspections;

An amendment that requires the Secretary to also consult the Secretary of State, the Secretary of the Treasury, and the United States Trade Representative regarding national security controls;

An amendment that requires the Secretary to consult with other Government departments and agencies regarding foreign policy controls;

An amendment that authorizes a demonstration project involving the Commerce and Transportation Departments in order to enhance aerospace exports; and

An amendment that directs the Commerce Department to conduct a feasibility study on using computer terminals at ports and other entry and exit points of the United States in order to speed up the issuance of export licenses.

Rejected:

An amendment, as amended, that sought to require approval by Congress by joint resolution for export controls the President wants to impose relating to international terrorism, human rights violations, or nuclear weapons testing; and to clarify the provisions of the bill regarding agricultural export contracts (rejected by a recorded vote of 172 ayes to 237 noes, Roll No. 395);

An amendment that sought to direct the President to negotiate to accord treaty status to the agreement of the Committee on multilateral export controls;

An amendment that sought to reimpose extraterritorial application of foreign policy export controls (rejected by a recorded vote of 199 ayes to 215 noes, Roll No. 399); and

An amendment that sought to require that foreign availability of goods be of "comparable" quality or quantity rather than "significant" or "sufficient".

An amendment was offered but subsequently withdrawn that sought to authorize an additional $20 million for processing export license applications.

SMALL BUSINESS ACT

Committee on Rules: Granted an open rule providing for the consideration of and 1 hour of general debate on H.R. 3020, Small Business Act. Waives all points of order against consideration of the bill for failure to comply with the provisions of clause 5(a) Rule XXI (appropriations in a legislative bill). Provides that the bill shall be considered for amendment by titles instead of by sections with each title considered as having been read. Provides for one motion to recommit. Following passage of H.R. 3020, allows consideration of S. 1323 and provides for a motion to strike out all after the enacting clause and insert in lieu thereof the provisions of H.R. 3020 as passed by the House. Waives all points of order against consideration of said motion for failure to comply with the provisions of clause 5(a), Rule XXI (appropriations in a legislative bill). Testimony was heard from Representatives Mitchell and McDade.

TELEPHONE SERVICE

Committee on Rules: Granted a modified open rule providing for the consideration of and 1 hour of general debate on H.R. 4102, Universal Telephone Service Preservation Act of 1983. Makes in order in lieu of the recommended committee amendment in the nature of a substitute an amendment in the nature of a substitute consisting of H.R. 4295 as original text for the purposes of amendment under the 5-minute rule. Each section of said substitute shall be considered as having been read. Provides that at the expiration of 10 hours of consideration of said substitute, no further amendment to the bill or to the substitute shall be in order, and the question shall occur on the pending amendment or amendments. Provides one motion to recommit with or without instructions. Testimony was heard from Representatives Dingell, Wirth, Broyhill, Rinaldo, Tauke, Ritter, Bliley, Oxley, Gekas, and Corcoran.

COMMUNICATIONS COMMISSION AUTHORIZATION

Committee on Rules: Granted a modified open rule providing for the consideration of and 1 hour of general debate on H.R. 2755, Communications Commission Authorization Act of 1983. Waives all points of order against consideration of the bill for failure to comply with section 402(a) [authorization of new budget authority not reported by May 15 preceding the fiscal year in which it is effective] of the Congressional Budget Act. Provides for the consideration of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill as original text for the purpose of amendment under the 5-minute rule. Said substitute shall be considered as having been read. No amendment to the bill or to said substitute shall be in order except: (1) amendments only to change the dollar figure on page 2, line 10, to another dollar figure, which shall only be subject to amendments to change such dollar figure to another dollar figure; (2) amendments which are germane to the text of sections 3, 5 and 6 of said substitute, relating to the funding and authority of the Corporation for Public Broadcasting; and (3) an amendment to section 8 of said substitute printed in the Record of November 8, 1983, by, and if offered by, Representative Rodino of New Jersey or Representative Kastenmeier of Wisconsin. Finally, the rule provides one motion to recommit with or without instructions. Testimony was heard from Representative Wirth.

Agreed to amend the title. Page 32128

Universal Telephone Service: House passed H.R. 4102, to amend the Communications Act of 1934 to assure universal telephone service within the United States. Page 32131

Agreed To:

An amendment in the nature of a substitute (text of H.R. 4295);

A clarifying amendment;

An amendment relating to the availability of foreign exchange service in standard metropolitan statistical areas as defined by the Office of Management and Budget;

A clarifying amendment relating to access charges for users of centrex-type services;

An amendment that provides that the revenues provided for rural exchanges of large telephone ex-

changes not be subject to the non-traffic-sensitive costs provisions; and

An amendment that prohibits end-user common line access charges on private, nonprofit child care institutions.

Rejected:

An amendment in the nature of a substitute that sought to permanently prohibit end-user charges on "lifeline" customers; prohibit end-user charges during 1984 on residential and single-line business customers, but permit phase-in end-user charges beginning in 1985 if universal service is not threatened; eliminate fees on private systems that do not connect to phone company facilities; eliminate certain exemptions from obligation to pay bypass fees on private interstate connections; permit FCC to reduce all bypass fees as end-user charges phase in; prohibit phone companies with 100,000 or more subscribers from receiving assistance from the Universal Service Fund; impose a surcharge on long-distance calls to subsidize local "lifeline" customer rates; restructure discount for long distance companies; and delete provisions for State organizations to represent consumers in regulatory proceedings and provisions for FCC payment of consumer legal fees when participating in FCC proceedings (rejected by a recorded vote of 142 ayes to 264 noes, Roll No. 488);

An amendment that sought to require the FCC and State commissions to deregulate telecommunications services to the full extent possible whenever and wherever a service or facility is subject to effective competition;

An amendment that sought to impose a one-year moratorium on any access charge for residential subscribers or business subscribers with one line; and permit an FCC access charge of $1 in 1985 if necessary to preserve universal service, and $1 each year thereafter up to a $4 cap (rejected by a recorded vote of 122 ayes to 270 noes, Roll No. 489);

An amendment that sought to clarify long distance company equal interconnection charges and discounts;

An amendment that sought to limit payments to exchange carriers serving any high-density metropolitan area to amounts equal to the portion of the surcharges which are imposed with respect to that area; and

An amendment that sought to eliminate provisions for establishing in each State a nonprofit association of residential telephone consumers (rejected by a division vote of 39 ayes to 48 noes).

The Clerk was authorized to conform designations, correct spelling, punctuation, or cross references, and make necessary typographical or clerical changes in the engrossment of the bill. **Page 32196**
